STATE OF NEBRASKA  
DEPARTMENT OF WATER RESOURCES  
APPLICATION APPROVAL

This is to certify that the attached application 15378 for a permit to divert water has been examined, and it is hereby approved subject to the following limitations, conditions and notice:

1. The source of this appropriation is Strever Creek.
2. The water appropriated shall be used for irrigation purposes only.
3. The priority date of this appropriation is December 26, 1978.
4. The applicant shall file in the office of the Department of Water Resources on or before October 16, 19 79, a map as provided by Section 46-237, Reissue Revised Statutes of Nebraska, 1943, which shall be prepared in accordance with the rules and regulations of the department. No rights shall be deemed to have been acquired until the provisions of this paragraph shall have been complied with, and a failure to so comply shall work a forfeiture of the appropriation and all rights thereunder.
5. The applicant shall vigorously, diligently and uninterruptedly pursue the necessary work and installation of facilities to completion, pursuant to Section 46-238, unless temporarily interrupted by some unavoidable and natural cause. A failure to comply with the provisions of this paragraph shall work a forfeiture of the appropriation and all rights thereunder.
6. The time for completing the work of construction or the installation of the pump and distribution system shall extend to April 16, 19 80.
7. The amount of this appropriation shall be limited to: (A) one-seventieth (1/70) of a cubic foot per second of time for each acre of land to which water is actually and usefully applied; ~~or (B) that amount actually and usefully appropriated~~ on or before October 1, 19 81.
8. The department may at any time require the installation of a measuring device as provided by Section 46-256.
9. The prior rights of all persons who, by compliance with the laws of the State of Nebraska, have acquired the right to use the waters of the natural streams of the state must not be interfered with by the use of water under this approval.
10. The records show that the normal water supply of the Platte River basin is at times over-appropriated. The applicant is hereby given notice that he may be denied the use of water during times of scarcity.

Director of Water Resources

John W. Neuberger

Director

Dated April 16, 19 79
